STEVE WOLFF & ASSOCIATES, INC. BECOMES 10TH BUSINESS TO ATTAIN “GREEN” CERTIFICATION

The Woodlands, Texas, (January 26, 2010)—The Green Earth—Green Plants® program announced today that Steve Wolff & Associates, Inc., an interior plantscape business in Villa Park, California has earned become the 10th business to become a Green Earth—Green Plants® certified business. “Steve Wolff & Associates has proven that they are an environmentally-responsible business and operate in an ecologically-friendly manner, says Kathy Fediw, LEED AP, CLP, CLT , president of Johnson Fediw Associates and founder of the certification program. Steve Wolff & Associates is an interiorscape company that takes care of indoor plants in office buildings, hotels and public indoor spaces in the Ventura area. “We know that plants help improve indoor air quality, and caring for them in an environmentally-safe manner is crucially important” says Fediw.

Steve Wolff, owner of Steve Wolff & Associates passed a rigorous assessment and had to provide proof of the company’s operational procedures. The assessment rates an interiorscape business on their indoor and outdoor facilities, vehicle usage, recycling program, horticultural practices, staff education and giving back to the community. “Steve Wolff & Associates scored extremely high in their recycling practices and staff education” says Fediw. “We are proud to recognize their achievements and know they will set an example to other businesses in California to operate in a more earth-friendly manner.”

In addition, Steve Wolff & Associates has an employee vegetable garden on the property. Employees grow their own produce using only organic fertilizers and timed irrigation and without the use of pesticides. They plant, water and take home their own organic produce to feed their families and share with others while learning about organic gardening at the same time.

Johnson Fediw Associates is a third-party consulting firm providing green certification programs to horticulture businesses.
